Total Visual Area:
1500 (w) x 2000 (h) mm

Total Graphic Area:
1500 (w) x 2150 (h) mm

Including 150mm at bottom (non-visible image area in roll mechanism).

Please check your artwork's image quality by viewing your document at 100%, if the images look pixelated, this is how they will appear on the printed banner.

Ensure all images / Photographs / Logos use CMYK and are 300dpi

Check all spelling and grammar. Then, convert All text to OUTLINES

How to do this?

Select all
Go to Type in the menu at the top of the screen.
Then, Click Create Outlines.

Export your Artwork as a PDF. Use the [High Quality Print] setting:

- ✓ Ensure the Crop Marks box is ticked
- ✓ Ensure to add 3mm bleed.

Safe Area

Keep all your information inside the dashed lines.

Remember to delete or hide this layer

Artwork in this area will NOT be visible.
This will roll into the base unit.
